Code
SS-N-R1-D1-O
Elevation
9300
Aspect
N
Latitude
45.02020
Longitude
-109.93800
Notes

Noted a couple of fresh slab avalanches out there today. Both were on northerly aspects around 9300'. Photo of one attached.

Also of note, we did not find any buried SH in 3 snowpits north of Cooke City late last week. Though definitely continuing to look for it..
