Taylor Fork Surface Hoar

Date
Mon, 12/18/2023 - 15:25

From email: "Just sharing a photo I took of some large surface hoar. This was taken up in carrot basin in a spot that was especially bad, in the shadows sheltered by trees but adjacent to warmer sunny spot. It didn't look like this everywhere but it certainly was a common sight."

Region
Southern Madison
Location (from list)
Taylor Fork
Observer Name
JT Abate
