Whumpf-ing at Telemark Meadows

Date
Sat, 01/27/2024 - 13:00
Activity
Skiing

Heard two large whumpfs when heading up the low angle slopes of Telemark Meadows. Dug a quick pit and found it was collapsing 30cm (rough estimate) deep on the second weak layer from the top. Lightly snowing, not much accumulation.

Region
Southern Madison
Location (from list)
Telemark Meadows
