

Bear Creek, NE of Jardine MT

Date

Tue, 01/05/2021 - 12:48

Activity

Snowmobiling

this morning we had volunteers who were grooming the bear creek cross-country ski trails above Jardine NE of Gardiner in the southern Absarokas outside the forecast area. They witnessed a couple of roadcut slopes above the trail that triggered as they passed by or had recently occurred. slides were roughly 18" deep and occurred at 7,200 feet elevation
