

# Bridger

Date

Thu, 11/24/2022 - 18:20

Activity

Skiing

Just wanted to share a few photos and videos of how windy it was up at Bridger today. The strongest winds/gusts were mostly mid-mountain and were blowing from the North-Northwest. Lots of snow moving around and stripping of snow surfaces as the videos show.

Region

Bridger Range

Location (from list)

The Ramp

Observer Name

Haylee Darby
