

Natural avalanche on Emigrant Peak

Date

Fri, 02/24/2023 - 00:15

Activity

Skiing

From IG message 2/24/23: HS-N-R2.5-D2-O. In emigrant gulch on an east [aspect](#) around 9k feet. Seemed to have stepped down on to a PWL, however it's pretty tough to tell.

Region

Out of Advisory Area

Location (from list)

Emigrant Peak

Observer Name

Owen Desroches
