## **ECPT4** on the Apron

Date Wed, 11/06/2024 - 16:20 Activity Skiing

From IG message: "Hey the post of super jogged my memory to send you this, a friend and I had whumpfing and cracks while skinning up the trees in the apron yesterday [11/6], we dug a pit and got an ect 4 <u>collapse</u> against the rocks. We were about halfway up the apron when we took this."

Region Bridger Range Location (from list) Bridger Bowl Observer Name Hayden Mans
